Be the Miracle

OLIVE CREST
Strong Families, Safe Kids

Holiday Shoppe Wish List

December is a season of celebration, but for many families facing financial hardship, it can also be a time of stress and uncertainty—especially when it comes to providing Christmas gifts for their children. Through **Be the Miracle**, we aim to bring joy and relief by offering parents the opportunity to personally choose meaningful gifts for their kids, allowing them to be the heroes of their own holiday story.

But our support doesn't stop there. Thanks to generous financial contributions, we're also able to assist families with essential needs like rent, utilities, diapers, and hygiene products. By helping to meet these basic needs, we create space for families to truly celebrate the season and foster safe, stable environments for children—ultimately reducing the risk of abuse and neglect.
